

§ 2506.35 Will the collection of a debt by salary offset act as a waiver of my rights to dispute the claimed debt?

No, your involuntary payment of all or any portion of a debt under this subpart will not be construed as a waiver of any rights that you may have under 5 U.S.C. 5514 or other provisions of a law or written contract, unless there are statutory or contractual provisions to the contrary.

Subpart D—Tax Refund Offset**§ 2506.40 Which debts can the Corporation refer to Treasury for collection by offsetting tax refunds?**

(a) The regulations in this subpart implement 31 U.S.C. 3720A, which authorizes the Treasury to reduce a tax refund by the amount of a past-due, legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due, legally enforceable debt referable to the Treasury for tax refund offset is a debt that is owed to the Corporation and:

- (1) Is at least \$25.00;
- (2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;
- (3) With respect to which the Corporation has:
 - (i) Given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable;
 - (ii) Considered evidence presented by the debtor; and
 - (iii) Determined that an amount of the debt is past due and legally enforceable;
- (4) With respect to which the Corporation has notified or has made a reasonable attempt to notify the debtor that:
 - (i) The debt is past due, and
 - (ii) Unless repaid within 60 days of the date of the notice, the debt may be referred to the Treasury for offset against any refund or overpayment of tax; and
- (5) All other requirements of 31 U.S.C. 3720A and the Treasury regulations relating to the eligibility of a

debt for tax return offset (31 CFR 285.2) have been satisfied.

§ 2506.41 What are the Corporation's procedures for collecting debts by tax refund offset?

(a) The Corporation's Accounting and Financial Management Services Division will be the point of contact with the Treasury for administrative matters regarding the offset program.

(b) The Corporation will ensure that the procedures prescribed by the Treasury are followed in developing information about past-due debts and submitting the debts to the Treasury.

(c) The Corporation will submit to the Treasury a notification of a taxpayer's liability for past-due legally enforceable debt. This notification will contain the following:

- (1) The name and taxpayer identification number of the debtor;
- (2) The amount of the past-due and legally enforceable debt;
- (3) The date on which the original debt became past due;
- (4) A statement certifying that, with respect to each debt reported, all of the requirements of § 2506.40(b) have been satisfied; and
- (5) Any other information as prescribed by Treasury.

(d) For purposes of this section, notice that collection of the debt is stayed by a bankruptcy proceeding involving the debtor will bar referral of the debt to the Treasury.

(e) The Corporation will promptly notify the Treasury to correct data when the Corporation:

- (1) Determines that an error has been made with respect to a debt that has been referred;
- (2) Receives or credits a payment on the debt; or
- (3) Receives notice that the person owing the debt has filed for bankruptcy under title 11 of the United States Code and the automatic stay is in effect or has been adjudicated bankrupt and the debt has been discharged.

(f) When advising debtors of the Corporation's intent to refer a debt to the Treasury for offset, the Corporation will also advise debtors of remedial actions (see §§ 2506.9 and 2506.14 through 2506.16 of this part) available to defer

§ 2506.50

the offset or prevent it from taking place.

Subpart E—Administrative Offset

§ 2506.50 Under what circumstances will the Corporation collect amounts that I owe to the Corporation (or some other Federal agency) by offsetting the debt against payments that the Corporation (or some other Federal agency) owes me?

(a) The regulations in this subpart apply to the collection of any debts you owe to the Corporation, or to any request from another Federal agency that the Corporation collect a debt you owe by offsetting your debt against a payment the Corporation owes you. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3716). The Corporation will carry out administrative offset in accordance with the provisions of the Federal Claims Collection Standards. The regulations in this subpart are intended only to supplement the provisions of the FCCS.

(b) The Chief Executive Officer, after attempting to collect a debt you owe to the Corporation under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset only after giving you:

(1) Written notice of the type and amount of the debt, the intention of the Chief Executive Officer to collect the debt by administrative offset, and an explanation of the rights of the debtor;

(2) An opportunity to inspect and copy the records of the Corporation related to the debt;

(3) An opportunity for a review within the Corporation of the decision of the Corporation related to the debt; and

(4) An opportunity to make a written agreement with the Chief Executive Officer to repay the amount of the debt.

(c) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years, unless facts material to the Corporation's or the requesting Federal agency's right to collect the debt were not known, and reasonably could not

45 CFR Ch. XXV (10–1–03 Edition)

have been known, by the official or officials responsible for discovering and collecting the debt.

(d) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly prohibited by statute; or

(2) Debts owed to the Corporation by Federal agencies.

§ 2506.51 How will the Corporation request that my debt to the Corporation be collected by offset against some payment that another Federal agency owes me?

The Chief Executive Officer may request that funds due and payable to you by another Federal agency instead be paid to the Corporation to satisfy a debt you owe to the Corporation. The Corporation will refer debts to the Treasury for centralized administrative offset in accordance with the FCCS and the procedures established by the Treasury. Where centralized offset is not available or appropriate, the Corporation may request offset directly from the Federal agency that is holding funds for you. In requesting administrative offset, the Corporation will certify in writing to the Federal agency that is holding funds for you:

(a) That you owe the debt;

(b) The amount and basis of the debt; and

(c) That the Corporation has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, the applicable administrative offset regulations of the agency holding the funds, and the applicable provisions of the FCCS with respect to providing you with due process.

§ 2506.52 What procedures will the Corporation use to collect amounts I owe to a Federal agency by offsetting a payment that the Corporation would otherwise make to me?

(a) Any Federal agency may request that the Corporation administratively offset funds due and payable to you in order to collect a debt you owe to that agency. The Corporation will initiate the requested offset only upon:

(1) Receipt of written certification from the creditor agency stating:

(i) That you owe the debt;
